INDEX TO TROPICAL AGRICULTURE

Index to Volume XXII—January to December, 1945

Nos.	Months	Pages
1	January	1-16
2	February	17-40
3	March	41-60
4	April	61-80
5	May	81-96
6	June	97-116
7	July	117-140
8	August	141-156
9	September	157-176
10	October	177-196
11	November	197-212
12	December	213-232

GENERAL INDEX

A

Agricultural Research, The Economic Consequences of 13-15
Agriculture in the Matengo Highlands .. 210-211
Agriculture in the Postwar World, Biology and 191-194
Agriculture, Microbial Metabolism and .. 150-154
Amazon Cacao, Incompatibility in .. 184-187
Animals, The Energetic Efficiency and Growth of 229

B

Bananas, Average Weight of a Bunch of .. 231
Bejucal Area of Trinidad, Peasant Farming in the 83-88
Biochemical Researches in Cacao in 1943-44, Physiological and 66-68
Biology and Agriculture in the Postwar World 191-194
Boll Disease of Cotton by the Cotton Stainer, Transmission of Internal 82
Botanical Work of the Cinchona Mission in South America, The 138-139
Bunch of Bananas, Average Weight of a .. 231
Bush Encroachment 39

C

Cacao, Incompatibility in Amazon .. 184-187
Cacao in 1943-44 in Physiological and Biochemical Research in 66-68
Cacao L. Preliminary Investigations into the Function of the Endotrophic Mycorrhiza of *Theobroma* 77-80
Cacao, Observations on a Trial of Trees as Shade for 203-206
Cacao Research, 1943-44, Field Experiments in 64-66
Cacao Soils, The Moisture Profile in Some Trinidad Forest and 100-115
Cacao Station, Recent Soil Work at the Tafo 202
Calcium in Plant Nutrition, The Rôle of .. 190
California, Extension of Guava Production to 145
Carbon-nitrogen Ratio in Soils Growing Cotton, The Significance of 119-127
Carnauba Wax 149
Chemical Notes 16, 40, 60, 96, 116, 140, 156, 175, 176, 196, 212, 232
Cinchona Mission in South America, The Botanical Work of the 138-139
Cinchona Plantations, Management of .. 8
Climate, The Ideal 177-178
Coconut Diseases in Jamaica (I): Bronze Leaf Wilt and Other Diseases Affecting the Bud of Coconuts 51-59
Coconut Diseases in Jamaica (II): Diseases Affecting the Leaves, Crown and Stem of Coconuts 69-76
Cocoyams (*Xanthosoma sagittifolium* Schott), Root-rot of 164-170
College Permanent Manurial Experiment, The 128-137
Colonial Research 157-159
Commercial Research 141-142
Competitive Rubber Plants 15
Compost on Sugar-cane Plants affected by Streak Disease, Effect of 163
Co-operative Credit Societies in the South Caribbean Area 3-8
Corbin, Death of Mr. de Lisle H. A. .. 211
Corbin, Mr. de L. H. A. 215
Cotton Stainer, Transmission of Internal Boll Disease of Cotton by the 82
Cotton, The Significance of Carbon-Nitrogen Ratio in Soils Growing 119-127
Credit Societies in the South Caribbean Areas, Co-operative 3-8
Crickets and their Control in Trinidad, B.W.I., Observations on Mole 146-149
Crop Plants, Diagnosis of Mineral Deficiencies in 207-209
Cultivation, Flame 154
Cultivation, Shifting 20

D

DDT against Insect Pests of Food Crops in the Lesser Antilles, Preliminary Tests with 222-226
'D.D.T.': A New Insecticide 19-20
DDT & 666, Two New Insecticides .. 98-99
Death of Mr. de Lisle H. A. Corbin .. 211
Deep and Shallow Fertilizer Placement .. 197-199
Diagnosis of Mineral Deficiencies in Crop Plants 207-209

E

Economic Consequences of Agricultural Research, The 13-15
Effect of Compost on Sugar-cane Plants Affected by Streak Disease, The .. 163
Effect of Hormones on Plant Development 142
Efficiency and Growth of Animals, The Energetic 229

E

	Page
Efficiency of Nitrogen in Sugar-cane Production	139
Ellice Islands, Gilbert and	200-202
Empire Cotton Growing Corporation	2
Endotrophic Mycorrhiza of *Theobroma Cacao* L., Preliminary Investigations into the Function of the	77-80
Ensilage Investigations with Tropical Forages	43-48
Experiments in Cacao Research, 1943-44, Field	64-66
Extension of Guava Production to California	145

F

Farming in the Bejucal Area of Trinidad, Peasant	83-88
Fertilisers, Granulation of Artificial	118
Fertility in Native Maize Areas in Northern Rhodesia, Maintenance of	99
Fertilizer Placement, Deep and Shallow	197-199
Fertilizers, Natural Humus and Artificial	159
Field Experiments in Cacao Research, 1943-44	64-66
Flame Cultivation	154
Food Crops in the Lesser Antilles, Preliminary Tests with DDT against Insect Pests of	222-226
Food Management	213-214
Foodstuffs in Tanganyika, Native	32-38
Forages, Ensilage Investigations with Tropical	43-48
Forest and Cacao Soils, The Moisture Profile in Some Trinidad	100-115
Fundamental Scientific Research	1-2

G

Gilbert and Ellice Islands	200-202
Granulation of Artificial Fertilisers	118
Grazing Trials in Trinidad, Preliminary	143-145
Groundnuts, New Uses for	206
Growing Plant and Soil Micro-organisms, The	81-82
Growth of Animals, The Energetic Efficiency and	229
Growth Substances in the Vegetative Propagation of Tropical Plants, Suggestions for the Use of	21-31
Guava Production to California, Extension of	145

H

Hormones on Plant Development, Effect of	142
Humus, A Russian View of	17-19
Humus and Artificial Fertilizers, Natural	159

I

Ideal Climate, The	177-178
Immunization against Malaria	12
Incompatibility in Amazon Cacao	184-187
Influence of Micro-organisms and Some Organic Substances on Soil Structure	209
Insecticide, 'D.D.T.': A New	19-20
Insecticides—DDT & 666, Two New	98-99
Insect Pest Resistance in Plants	183
Insect Pests of Food Crops in the Lesser Antilles, Preliminary Tests with DDT against	222-226
Inter-specific Pollination in *Theobroma*	188-190
Isano Oils, Po-yok and	221

J

Jamaica, Coconut Diseases in	51-59, 69-76

L

Livestock Improvement	41-42

M

Maintenance of Soil Fertility in Native Maize Areas in Northern Rhodesia	99
Malaria, Immunization against	12
Malaria, Rusty Water and	39
Management of Cinchona Plantations	8
Manurial Experiment, The College Permanent	128-137
Matengo Highlands, Agriculture in the	210-211
Microbial Competition in Soil, Plant Pathogens and	155
Microbial Metabolism and Agriculture	150-154
Micro-organisms and Some Organic Substances on Soil Structure, Influence of	209
Micro-organisms, Soil Condition and Distribution of	117-118
Micro-organisms, The Growing Plant and Soil	81-82
Mineral Deficiencies in Crop Plants, Diagnosis of	207-209
Mineral Deficiencies in Pastures	80
Miscellaneous Notes	50, 195, 199
Moisture Profile in Some Trinidad Forest and Cacao Soils, The	100-115
Molasses, Nitrogen Fixation with	59
Mole Crickets and Their Control in Trinidad, B.W.I., Observations on	146-149
Mycorrhiza of *Theobroma Cacao* L., Preliminary Investigations into the Function of the Endotrophic	77-80

N

Native Foodstuffs in Tanganyika	32-38
Natural Humus and Artificial Fertilizers	159
Nature of the Virus	76
New Hebrides	216-221
New Uses for Groundnuts	206
Nigeria, Soya Beans in	226-228
Nigeria, The Oil Palm Research Station of	93-96
Nitrogen Fixation with Molasses	59
Nitrogen in Sugar-cane Production, Efficiency of	139
Notebook of Tropical Agriculture	232
Nutrition, Plant Breeding in Relation to Human	171-175
Nutrition, The Rôle of Calcium in Plant	190
Nutrition, Yeast in	48-50

O

Obituary:	
Mr. de L. H. A. Corbin	215
Professor R. Cecil Wood	214
Observations on a Trial of Trees as Shade for Cacao	203-206
Observations on Mole Crickets and their Control in Trinidad, B.W.I.	146-149
Oil Palm Research Station of Nigeria, The	93-96
Oils, Po-yok and Isano	221
Orange Disease in Brazil, A New	155
Organic Substances on Soil Structure, Influence of Micro-organisms and Some	209

P

Palm Research Station of Nigeria, The Oil	93-96
Pastures, Mineral Deficiencies in	80
Pastures, Tropical	92
Pathogens and Microbial Competition in Soil, Plant	155
Peasant Farming in the Bejucal Area of Trinidad	83-88
Permanent Manurial Experiment, The College	128-137

P

PAGE

Phosphorus Cycle in Nature, The .. 68
Physiolgical and Biochemical Researches in Cacao in 1943-44 66-68
Placement, Deep and Shallow Fertilizer .. 197-199
Plant and Soil Micro-organisms, The Growing 81-82
Plant Breeding in Relation to Human Nutrition 171-175
Plant Development, Effect of Hormones on 142
Plant Nutrition, The Rôle of Calcium in .. 190
Plant Pathogens and Microbial Competition in Soil 155
Plant Viruses and Virus Diseases .. 89-92
Plants, Insect Pest Resistance in .. 183
Pollination in *Theobroma*, Inter-specific .. 188-190
Po-yok and Isano Oils 221
Preliminary Grazing Trials in Trinidad .. 143-145
Preliminary Investigations into the Function of the Endotrophic Mycorrhiza of *Theobroma Cacao* L. 77-80
Profile in Some Trinidad Forest and Cacao Soils, the Moisture 100-115
Propagation of Tropical Plants, Suggestions for the Use of Growth Substances in the Vegetative 21-31

R

Recent Soil Work at the Tafo Cacao Station 202
Research, Colonial 157-159
Research, Commercial 141-142
Research, Economic Consequences of Agricultural 13-15
Research, Fundamental Scientific .. 1-2
Research Station of Nigeria, The Oil Palm 93-96
Researches in Cacao in 1943-44, Physiological and Biochemical 66-68
Resistance in Plants, Insect Pest .. 183
Rôle of Calcium in Plant Nutrition, The .. 190
Root-rot of Cocoyams (*Xanthosoma sagittifolium* Schott) 164-170
Rubber Plants, Competitive .. 15-16
Russian View of Humus, A 17-19
Rusty Water and Malaria .. 39

Reviews:
Bioenergetics and Growth. By Samuel Brody—John Duckworth 229
Fragmenta Papuana (Observations of a Naturalist in Netherlands New Guinea) By H. J. Lam—N.W.S. 178
Lectures on the Inorganic Nutrient of Plants—By D. R. Hoagland—F. H. .. 50
Root Disease Fungi—By S. D. Garrett —R. E. D. Baker 137

S

Science in Sugar Production 9-12
Scientific Research, Fundamental .. 1-2
Shade for Cacao, Observations on a Trial of Trees as 203-206
Shifting Cultivation 20
Significance of Carbon-nitrogen Ratio in Soils Growing Cotton, The 119-127
Societies in the South Caribbean Areas, Co-operative Credit 3-8
Soil Condition and Distribution of Micro-organisms 117-118
Soil Fertility in Native Maize Areas in Northern Rhodesia, Maintenance of .. 99

S

PAGE

Soil Micro-organisms, The Growing Plant and 81-82
Soil, Plant Pathogens and Microbial Competition in 155
Soil Science, Specialized Fields in .. 230-231
Soil Structure, Influence of Micro-organisms and some Organic Substances on .. 209
Soil Work at the Tafo Cacao Station, Recent 202
Solomon Islands 179-183
Some Thoughts on Yield 61-64
Soya Beans in Nigeria 226-228
Specialized Fields in Soil Science.. .. 230-231
Sugar-cane Plants affected by Streak Disease, The Effect of Compost on .. 163
Sugar-cane Production, Efficiency of Nitrogen in 139
Sugar Production, Science in 9-12
Suggestions for the Use of Growth Substances in the Vegetative Propagation of Tropical Plants 21-31

T

Tafo Cacao Station, Recent Soil Work at the 202
Tanganyika, Native Foodstuffs in .. 32-38
Termite-proofing of Timber 115
Tests with DDT against Insect Pests of Food Crops in the Lesser Antilles, Preliminary 222-226
Theobroma, Inter-specific Pollination in .. 188-190
Timber, Termite-proofing of 115
Tonga 160-163
Transmission of Internal Boll Disease of Cotton by the Cotton Stainer 82
Trees as Shade for Cacao, Observations on a Trial of 203-206
Trinidad Forest and Cacao Soils, The Moisture Profile in Some 100-115
Trinidad, Peasant Farming in the Bejucal Area of 83-88
Trinidad, Preliminary Grazing Trials in .. 143-145
Tropical Agriculture, Notebook of .. 232
Tropical Pastures 92
Two New Insecticides—DDT & 666 .. 98-99

V

Vegetative Propagation of Tropical Plants, Suggestions for the Use of Growth Substances in the 21-31
Virus Diseases, Plant Viruses and .. 89-92
Virus, Nature of the 76

W

Water and Malaria, Rusty 39
Water, The Soil and the Plant 97-98
Wax, Carnauba 146
Weight of a Bunch of Bananas, Average .. 231
Western Pacific High Commission Territories : (I) Tonga 160-163
(II) Solomon Islands 179-190
(III) Gilbert and Ellice Islands .. 200-202
